Dear Families of Goodwin School Community:

I wanted to let you know that a safety issue has come to my attention regarding Parent Drop off and Pick up. I would like to take this opportunity to remind everyone to use the following safety requirements when in the parking lot at arrival and dismissal time:

1. Come into the parking lot and go to the right around the circle in order to park your car. The cones are there as a reminder for you.
2. When you drop off, pull up to the staff member to have your student get out of the car and then pull away as soon as they are safe and clear of your car. This keeps the line moving and allows for all students to get out of the car in front of the staff member.
  - **Cars should not go around or pass another vehicle**
3. Go slowly whenever you are in the parking lot. You never know when a little one will dart out in front of you.
4. Allow any pedestrians enough space to feel safe to get to their car. Give them the right of way.
5. Do not leave your car idling when you come for Parent Pick up.
6. Bring your child to the front door if you are late and there is no staff member in the parking lot.
7. No one is allowed to drive into the driveway that the buses use under any circumstances.

Thank you for your consideration of our parents and children by taking these few precautions.

Susan D. P. Muirhead  
Principal  
Goodwin Elementary School
